Demo Auto Eclipse — 2025

CarCare RAG Demonstration Owner Manual

IMPORTANT: This is synthetic demonstration data created for an educational RAG project. It is not an official manufacturer manual and must not be used for real vehicle maintenance, repair, safety, or specification decisions.

Dashboard Warning Lamps

• Battery Warning: A battery-shaped warning symbol indicates a possible charging-system problem. Reduce unnecessary electrical load and arrange a service inspection.

• Oil Pressure Warning: A red oil-pressure warning requires immediate attention. Stop the engine safely and check the situation before continuing.

• Brake Warning: A brake-system warning may indicate low brake fluid or another brake-system condition. Stop safely and seek professional inspection.

• Tyre Pressure Warning: A tyre-pressure warning indicates that one or more tyres may need pressure adjustment.

Tyre Pressure

• For this synthetic demonstration vehicle, recommended cold tyre pressure is 31 PSI.

Maintenance

• For demonstration purposes, engine-oil service is represented as every 8,000 km or 12 months, whichever occurs first.

• Maintenance values in this document are fictional and are included only to test retrieval and citation behaviour.

Driving Modes

• Eco mode reduces aggressive vehicle response to support efficiency.

• Normal mode provides the standard response.

• Sport mode provides a more responsive driving character.
